

Press Release

Issued by the Singapore Indian Chamber of Commerce and Industry.

For Immediate Release

The Board of Directors of the Singapore Indian Chamber of Commerce and Industry (SICCI) congratulates its Chairman and Council Member of the Singapore Business Federation (SBF), Mr Neil Parekh Nimil Rajnikant, on his appointment as a Nominated Member of Parliament starting in a few weeks.

Mr Parekh has been actively addressing the challenges our SMEs face as they grow while highlighting the importance of adopting green economy policies and pushing for trade associations and chambers of commerce to play a more prominent role in the government's drive towards Sustainability.

In his new role as an NMP, we are confident that Mr Parekh will continue to champion important issues to facilitate a healthy debate and steer discussions in Parliament that will benefit and rally the entire business community to rise to the new challenges.

Mr Parekh's appointment to Parliament as an NMP also brings much pride to the chamber as we prepare to celebrate our centenary in 2024.

Congratulations Chairman!

M.S. Maniam (Mr)
Vice Chairman, SICCI
On behalf of the Board of Directors.

About Singapore Indian Chamber of Commerce and Industry

Established in 1924, the Singapore Indian Chamber of Commerce and Industry (SICCI) is the premier business association for Indian businesses in Singapore. With over 1000 members from all walks of trade and industry, SICCI serves as a connector, enabler, and advocator, helping companies grow both locally and internationally.

We offer our members an array of business support services, including trade matching, business advisory, networking sessions, seminars, and training, and also serve as a champion of members' interests. Our aim is to function as a gateway of opportunities for Indian business in Singapore, helping both home-grown and international companies realise their full potential.

SICCI strives to provide its members with insight, connections and support services that will give their companies a competitive edge in the global market.
